

## *Love is Nigh*

*Rejoice, oh my soul,  
For Love is nigh –  
His gaze is ever upon me.*

*Rejoice, oh my soul,  
For Love is nigh –  
Cast away your sorrow and worry.*

*Rejoice, oh my soul,  
For Love is nigh –  
His light sears through my darkness.*

*Rejoice, oh my soul,  
For Love is nigh –  
His presence reassures my soul.*

*Rejoice, oh my soul,  
For Love is nigh –  
His grace and mercy surround me.*

*Rejoice, oh my soul,  
For Love is nigh –  
His life restores my own.*

*Rejoice, oh my soul,  
For Love is nigh –  
'Tis Christ: my Light and my Life.*
